

Molly Reed | Product Designer

U.S. Citizen based in Zurich, Switzerland

Summary

Product Designer based in Zurich with 8+ years of experience working across startups, agencies, and global organizations. From large-scale eCommerce platforms to B2B telecom products, I bring a foundation in visual design, a career in UI/UX and a proven track record of driving engagement and conversion. Experienced in simplifying complex systems, driving engagement, and making design decisions based on business goals. Comfortable implementing design-to-code solutions across web and mobile.
