

Molly Reed | Senior Product Designer

📍 Zurich, Switzerland (with right to work)

Summary

Senior Product Designer with 9+ years shaping AI, B2B/B2C and SaaS experiences working with startups, SMBs and global teams.

- **Specialties:** Component libraries/design systems, product strategy, frontend development knowledge, React-based prototyping, usability testing, accessibility requirements, product ownership, data-driven design, motion graphics/animation
- **Notable Outcomes:** +68% AI feature adoption rate for B2B SaaS startup, +11% conversion and +32% engagement for Hilton and 9% revenue growth for Urban Outfitters.

I create web, app and mobile experiences that simplify complexity and deliver meaningful value to users. Experienced in building live prototypes with Cursor, Figma, building design systems from the ground up, React/Next.js/Tailwind and WCAG 2.1 AA accessibility.

Work Experience

Senior Product Designer REMOTE FROM ZURICH, CH

LEADS.NEW, VALERIE JURADO & OTHERS • JULY 2023 - CURRENT

- Improved AI feature adoption by 63% for a lead-generation B2B SaaS startup by optimizing UX on AI chat and agentic workspace
- Used Cursor AI to prototype complex interfaces quickly, present ideas, implement analytics and solve technical issues
- Rebuilt florist business site that increased engagement by 72%, contact conversions by 7x, and reduced operational costs by 92%

UI Designer REMOTE FROM VERMONT, USA

HILTON BRANDS • JAN 2022 - JUN 2023

- Designed and optimized responsive web templates across 7,000+ Hilton properties, leveraging user behavior insights to improve booking conversion by 11% and engagement by 32%
- Built and maintained a multi-brand design system (300+ component library, used by 70+) that standardized UI patterns, improved accessibility, and streamlined designer-developer collaboration
- Designed experiences supporting multiple languages, including Right to Left and character-based
